YEAR OF REPORT

January 2006 to December 2006

PART-A

PLAN FOR QUALITY ENHANCEMENT

Internal quality assurance cell (IQAC) of S.C.D. Govt. College, Ludhiana with an aim of total quality management (TQM) in all aspects of higher education; conducted its regular meetings and discussions and enlisted the following agenda for striving towards achievements of quality enhancement :

1. To interact with all heads of the departments regarding the quality aspects and solicit regular reports from them in the context of departmental activities.
2. To encourage every department to establishing departmental libraries with latest literature.
3. To prepare a plan for encouraging various departments to organize seminars, conferences, workshops for submitting to the UGC for financial aid.

4. To suggest re-structuring of internal education system to suit the need of global requirements.
5. To encourage teachers to participate in conferences, seminars and workshops to upgrade their existing knowledge.
6. To stimulate the process of knowledge creation, apart from knowledge dissemination.
7. To involve the faculty in research activities.
8. To request the state higher education department to introduce co-education at the UG-level.
9. To request the state higher education department to open new courses.
10. To undertake computerization of the college administrative office, examination branch, accounts branch and the central library.
11. To undertake a project a start 'Tally 7.2, and Tally 8.3' and establish 'Edu-Sat'.
12. To undertake PTOSS, EDU-SAT programs.

The IQAC is proud to announce that with the exception of a selected few, like computerization of the central library and revamping of old Alumni Association almost all other projects under taken by IAQC during the academic session 2006 have attained their desired goals. But still, IQAC feels that there is a wide scope for improvement. It aspires to excel in future. IQAC has thus resolved to strive harder and make more efforts to reach the zenith of its desired goals. The faculty of the college participates keenly in various academic administrative,

financial and research activities besides the regular teaching work load. Many of the faculty members have contributed to the state, national and international conferences and have published research papers. The PG department of Economics is proud to announce the publication of a research journal 'THE CURRENT ECONOMICS' Prof. G.S. Sandhu (Mathematics) and Prof. Varminder Kaur (Sociology) have successfully achieved their Ph.D. degrees (2006).

The goals that IQAC has failed to achieve are as under :-

IQAC has not able to work upon the computerization of central library and sincerely regret the fact. It is primarily due to paucity of funds.

PART-B

1. GOALS AND OBJECTIVES

- Enabling rural, financially disadvantaged learners and gender sensitive quality education as per vision 2000.
