**YEAR OF REPORT :**

January 2007 To December 2007

**PART-A**

**PLAN FOR QUALITY ENHANCEMENT**

The internal quality assurance cell (IQAC) of S.C.D. Govt. College, Ludhiana with an aim of total quality management (TQM) in all aspects of higher education; conducted its regular meetings and discussions and enlisted the following agenda for striving towards achievements of quality enhancement :

- To interact with all heads of the departments regarding the quality aspects and solicit regular reports from them in the context of departmental activities.
- To encourage every department to establish departmental libraries with latest literature and to strengthen the already existing one.

- To prepare a plan for encouraging various departments to organize seminars, workshops, conferences to be submitted to the UGC, New Delhi and Dean, College Development Council (DCDC) P.U. Chandigarh or other agencies for financial aid.
- To encourage teachers to improve their academic credentials, earn faculty improvement program fellowships from UGC and minor or major research projects from UGC.
- To suggest restructuring of internal education system to suit the need of global requirements.
- To encourage teachers to participate in academic conferences, seminars, and workshops to upgrade their existing knowledge.
- To stimulate the process of knowledge creation, apart from knowledge dissemination.
- To request state higher education department to start new courses such as BCA, PGDCA and B.Sc. in Microbial and Food Technology.
- To undertake computerization of administrative office and central library.
- It is proposed to request the state higher education department to make 'EDU-SAT' program operational.
- To train students to be holistic persons and train them for culture and heritage of the state and the country.

The IQAC is proud to announce that with the exception of revamping old students Alumni Association; almost all other projects undertaken by IQAC during the academic session 2007 have attained their desired results. But still, IQAC feels that there is a wide scope for improvement. It aspires to excel in future. IQAC has thus resolved to strive harder and make concerted efforts to reach the zenith of its desired goals. The

faculty of the college participates keenly in various academic, administrative, financial, and research activities, besides the regular teaching work load. Many of the faculty members have contributed to the state, national, and international conferences/seminars/workshops and have published research papers. Prof. Sandeep Sarang has successfully achieved her Ph.D. degree (2007). Prof. Ashwani Bhalla and Prof. B.S. Parihar have been awarded minor research projects by UGC. Prof. Puran Singh has earned FIP-UGC fellowship to continue his Ph.D. at JNU, New Delhi. The college central library has acquired computers and software to computerize itself and the work is near completion.
