PART-A

PLAN FOR QUALITY ENHANCEMENT

The internal quality cell (IQAC) of S.C.D. Govt. College, Ludhiana with an aim of total quality management (TQM) in all aspects of higher education conducted its regular meeting and discussion and enlisted an agenda for striving towards achievement of quality enhancement. The internal quality assurance cell held a special meeting to assess the achievement made spill over impact on

IQAC Report-2009 SCD Govt. College, Ludhiana

quality of teaching. It has been observed that the IQAC has progressed to benefit this institution and the spurt of the development is being maintained. The recommendations after evaluating their viability have by and large strictly been adhered to enhance total quality management in all aspects of higher education.

The various plans undertaken during the year have found their destination.

The college is proud to announce the introduction of following courses:

- Basics knowledge on computers funded by Parent Teacher Association fund for regular college students.
 - Basics courses on computers funded by PTA – fund for economically backward students. It is co-sponsored by MLA-LAD scheme under the guidance of local MLA Mr. Harish Rai Dhanda.
 - B.C.A Bachelor of computer application a (Three Year Degree) course affiliated by Panjab University, Chandigarh.
 - PGDCA- Post Graduate Diploma in Computer Applications (one Year course)
- Continuation of PTOSS- Punjab Training and GTT (Global Talent Training) on Soft Skills program assisted by HEIS and SCD-ICT Society.
 - Continuing computerization of central library with internet facility.
 - Extension lectures through Edu-Sat.
 - Establishment of two full-fledged computer labs.
 - The software's for education and secretarial practices have been purchased.
 - The currency check and counting machines have been installed.

The college still aspires to excel in the arena of teaching, learning and evaluation for which the following agenda has been proposed to be undertaken unanimously

- To interact with all heads of the department regarding quality aspects and solicit regular reports From them in the context of departmental activities.
- To encourage every department to establish departmental libraries with latest literature and toe Strengthen the already existing one.
- To prepare a plan for encouraging various departments to organize seminars, workshops, Conferences to be submitted to UGC/ DCDC, P.U. Chandigarh / DST , New Delhi or any other Agency for financial aid.
- To encourage teachers to improve their academic credentials, earn faculty improvement programs from UGC and minor/ major research projects from UGC/DST.
- To suggest restructuring of internal education system to suit the need of global requirements.
- To encourage teachers to participate in academic conferences/ seminars/ workshops to upgrade their existing knowledge.
- To simulate the process of knowledge creation, apart from knowledge dissemination.
- To undertake purchase of software's for academic, administrative and library purposes.
- And above all, to train students to be holistic persons and sensitize them towards the culture and heritage of the state and the country.

The IQAC is proud to announce that with the exception of revamping the old Alumni Association, almost all other projects undertaken so far have had attained their desired results. But still, IQAC feels that there is an ample scope for improvement and therefore aspires to excel in future, under the bandwagon of NAAC. IQAC has thus resolved to strive harder and make concerted resolves to attain the zenith of its preferential goals.

The faculty, students and the non-teaching staff participants enthusiastically in various academic, researches, administrative, financial activities to excel. Many of the members have contributed to the state, national and international conferences/ seminars/ workshops and have published research papers. Prof. B.S. Parihar, Prof. Ashwani Kumar & Prof. M.K.
