THANK YOU FOR PARTICIPATION

The Principal
S.C.D. Government College,
Ludhiana.

Respected Madam/ Sir,

The educational campus is just not a place for studies only, it is a place where teachers, students, parents and alumni spend a lot of time of their life. Green campus cleans the air and comforts the stay. During the competition "MOST ELEGANT GREEN GARDEN CAMPUS CONTEST", the participants took a lot of keen interest. As it was the objective to trigger the intensity to make campus beautiful with trees, shrubs and plants, we got many calls to help them have beautiful gardens in their respective campuses.

We thank you with immense gratitude for promoting the cause of GREEN CAMPUS with your enthusiastic participation. Under your creative leadership, the teachers and students deserve appreciation for maintaining the campus green. The organizing team has declared your campus as "THE MOST ELEGANT GREEN GARDEN CAMPUS".

Once again a Big THANK YOU!

With the warmest regards
